

# TUNDRA DOUBLE LEVER GREASE GUN

**TUNDLGG-18**

- Heavy-duty double arm grease gun with die-cast aluminium head with 12" high pressure flexible hose & 4-jaw coupler
- Suitable for use with screw type grease cartridges
- Vacuum-suction mechanism ensures full utilization of the grease cartridge and eliminates the priming issues associated with conventional grease guns
- Features a protective cap for hose storage - preventing contamination
- Supplied with 1/8"BSPT thread and adaptor to fit most screw type cartridges available on the market
