

## D-Clip™

### Description:

The Utility Barrier is the ideal solution for any variety of Utility Works. Completely manufactured within the UK at the Melba Swintex factory, with its unique and protected D-Hinge™ system, the Barrier becomes incredibly stable. Using the protected D-Clip™ system, it is possible to connect one set of Utility Barrier onto another, or to completely close up a single set.

### Features:

- Long lasting and robust.
- Manufactured from Polypropylene.
- Creates a secure and steady structure.
- Can be replaced.
- Manufactured from 100% recyclable material.
- Compatible with existing barriers on the market.
