melba swintex

₱ B D-Hinge™

Description:

The Utility Barrier is the ideal solution for any variety of Utility Works. Completely manufactured within the UK at the Melba Swintex factory, with its unique and protected D-Hinge™ system, the Barrier becomes incredibly stable. The Utility Barrier and D-Hinge™ have been designed to connect to the existing metal gate systems, and other plastic Barriers already on the market.

Features:

- Long lasting and robust.
- Manufactured from Polypropylene.
- Creates a secure and steady structure.
- Can be replaced.
- Manufactured from 100% recyclable material.
- Compatible with existing barriers on the market.
